Auction 302 Lot # 1247  
Australia - King George V Period

1932 5c- Sydney Harbour Bridge, Ash Imprint block, superb MUH. [BW.148zd - \$7500]. While imprint strips of 3 are relatively common, blocks of 6 are now particularly scarce, especially in such fine condition. What better way to celebrate the 75th Anniversary of the opening of Australia's best-known man-made icon than adding this to your collection!

## What is Live Bid Online?

Live Bid Online is Australia's only live real-time online bidding software. The system utilizes the latest in internet technology to deliver an accurate and interactive live bidding experience.

## What is live real time bidding?

Live real-time bidding allows you to send your bids to the auction floor via the Internet, as if you were at the auction in person.

## How do I participate?

To use our new system you will need a computer and a connection to the internet, then it's just a matter of visiting our website to register. Registration is simple and will only take a few minutes. To activate bidding you must provide us with some further details including your address, shipping & credit card information. To participate in a live bidding event you will need to have a user account that is activated for bidding and you must be registered for the particular event. Once you have created your account, your details can be modified and updated at any time.

## Is it secure?

Yes, all of your personal information is stored in a secure database and is not accessible to anyone but the account owner. In addition every communication to our servers will be encrypted using SSL.

Live Bid Online will be accessible through our internet site from one week prior to auction: [www.leski.com.au/livebidonline](http://www.leski.com.au/livebidonline)
